IMPORTANT NOTE TO APPLICANT

If the respondent's Reply contains a claim for support, you, the original applicant, are required to file financial information. If you do not, the court may attribute income to you and set the amount of support to be paid. The respondent has estimated your gross annual income as set out in item 2 below.

Agreement with application:

I agree with the request(s) of the applicant for:

**THIS DOCUMENT IS A SAMPLE DOCUMENT AND IS INTENDED ONLY AS A GENERAL GUIDE.
IT MAY NOT CONTAIN INFORMATION RELEVANT TO YOUR SITUATION.
IT SHOULD NOT BE USED AS A PRECEDENT FOR DRAFTING YOUR OWN DOCUMENT.**

- guardianship
- allocation of parental responsibilities
- parenting time
- contact with a child
- child support
- spousal support
- a change in or suspension or termination of an earlier order dated _____
- an order to set aside or replace an agreement dated _____
- an order that arrears of support be reduced or cancelled
- an order for retroactive support
- a protection order
- other order: an order that I not remove the children from British Columbia without the applicant's written consent

I wish to make the following comments regarding the request(s) even though I agree:

I do not object to the order that I not remove the children from British Columbia without the applicant's consent, as long as the applicant is subject to the same restriction.

Disagreement with application:

I disagree with the request(s) of the applicant for:

- guardianship
- allocation of parental responsibilities
- parenting time
- contact with a child
- child support
- spousal support
- a change in or suspension or termination of an earlier order dated _____
- an order to set aside or replace an agreement dated _____
- an order that arrears of support be reduced or cancelled
- an order for retroactive support
- a protection order
- other order:

I disagree because:

I agree that we should share parental responsibilities for the children, however in the event that the applicant and I cannot reach an agreement about an important issue, I should be able to make the decision. With respect to child support, because we are sharing the children's time equally, child support should be determined under s. 9 of the Guidelines. With respect to the claim for spousal support, the applicant has worked throughout our marriage and was laid off only recently. He can easily find work is not in need of spousal support.

Counterclaim (Respondent's own application)

I wish to make an application for the following:

- guardianship
- allocation of parental responsibilities
- parenting time
- contact with a child
- child support
- spousal support
- a change in or suspension or termination of an earlier order dated _____
- an order to set aside or replace an agreement dated _____
- an order that arrears of support be reduced or cancelled
- an order for retroactive support
- a protection order
- other order: **an order that the applicant not remove the children from British Columbia without my written consent.**

1 — Children

Name(s) of child(ren)	Birthdate(s)
Jennifer Jean Doe	1 January 2000
Jeffrey Jonas Doe	1 January 2002

I am asking for guardianship, parenting arrangements or contact with a child as follows (*complete if you are asking for guardianship, parenting arrangements or contact with a child*):

We applicant and I should continue to share the children's parenting time equally. The applicant and I should each have all parental responsibilities and be required to consult with each other when making important decisions with respect to the child, however in the event we cannot agree on a major decision, I should be able to make that decision.

2 — Support (*complete if you are asking for child or spousal support*)

The current support arrangements are: **I give the respondent money for himself and the children from time to time.**

I believe that the applicant's gross annual income is **\$50,000** because **he is normally employed as a bricklayer and her earned \$50,000 from his last employer.**

I am asking for (*complete only if you are asking for child support*):

- support in the amount set out in the Child Support Guidelines for **2** children
- special or extraordinary expenses, as follows: **the applicant and I should both be required to contribute to the cost of the children's soccer and field hockey costs, orthodontic costs, Jeffrey's violin lessons and Jennifer's tutor and Kumon expenses.**

I am asking for (*complete only if you are asking for retroactive child support or retroactive spousal support*):

**THIS DOCUMENT IS A SAMPLE DOCUMENT AND IS INTENDED ONLY AS A GENERAL GUIDE.
IT MAY NOT CONTAIN INFORMATION RELEVANT TO YOUR SITUATION.
IT SHOULD NOT BE USED AS A PRECEDENT FOR DRAFTING YOUR OWN DOCUMENT.**

- child support retroactive to _____ because:
- spousal support retroactive to _____ because:

3 — Protection Orders (*complete if you are asking for a protection order*)

I am asking for a protection order in the following terms:
