

Paying Taxes

Lesson: Kinds of Taxes

CLB 5-6 Instructional Package

Lesson Plan: Kinds of Taxes (CLB 5-6)

CLB Outcomes

 **CLB 6-IV: Comprehending Information**

Understand group interactions and discussions on familiar topics.

 **CLB 5-III: Getting Things Done**

Give and respond to informal requests, permission, suggestions and advice.

 **CLB 6-IV: Comprehending Information**

Understand simple to moderately complex descriptive or narrative texts on familiar topics.

Content Outcomes

- Identify the different kinds of taxes in Canada
- Identify where to get more information about funds that are tax free

Resources

- People's Law School (PLS) [Paying Taxes in BC](#) wikibook, or the PLS *Paying Taxes* booklet (hardcopy, dated March 2011).

Note to instructor: The PLS booklet *Paying Taxes* was accurate at date of publishing. Since publishing the HST has been withdrawn and the value of goods a traveller can bring into Canada from other countries without paying duty has changed. For more information refer to: <http://travel.gc.ca/returning/customs/bringing-to-canada/mini-guide>.

- PLS worksheets "Paying Taxes: Kinds of Taxes".
- Computer Lab (optional)

External Resources and Referrals

For more information on income tax, visit the CRA website at <http://www.cra-arc.gc.ca/>. Invite an accountant to come to your class to talk about taxes.

Assessment Plan and Tools

- Self-assessment checklist

Sample Lesson Plans

Paying Taxes

Get Ready!

Look at the pictures¹. What do you know about taxes in Canada? Discuss the different kinds of taxes in your countries? What is similar or different about taxes in Canada and your country?

¹Images taken from <http://office.microsoft.com/en-us/?CTT=97>.

Predict!

Look at the list below. Which services are paid for through taxes? Check off all of the ones you think that taxes help to pay for. Check the People's Law School [Paying Taxes in BC](#) wikibook or *Paying Taxes* booklet to confirm your guesses.

- | | |
|---|--|
| <input type="checkbox"/> roads | <input type="checkbox"/> community centres |
| <input type="checkbox"/> schools | <input type="checkbox"/> police |
| <input type="checkbox"/> health care | <input type="checkbox"/> driver's licenses |
| <input type="checkbox"/> dental care | <input type="checkbox"/> daycares |
| <input type="checkbox"/> natural path doctors | <input type="checkbox"/> public swimming pools |
| <input type="checkbox"/> parks | <input type="checkbox"/> universities |
| <input type="checkbox"/> bridges | <input type="checkbox"/> massage therapy |
| <input type="checkbox"/> social services | <input type="checkbox"/> eye care |
| | <input type="checkbox"/> vitamins |

Discuss!

Discuss your opinions about taxes with a partner.

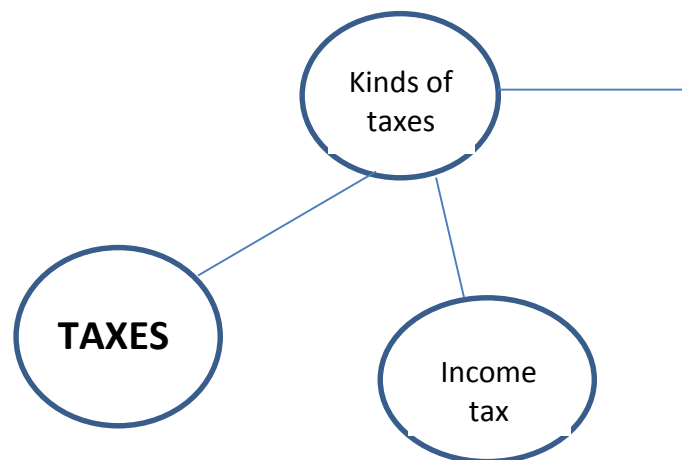

1. From the list above, which services do you think should be paid for by taxes? Why do you think so?
2. Which services should not be paid for by taxes? Why do you think this? Who should pay for them?

Paying Taxes

Create a Mind Map!

Skim and scan the People's Law School [Paying Taxes in BC](#) wikibook or *Paying Taxes* booklet to find information and facts about taxes. Organize your notes in the form of a mind map. Share your mind map with a partner and add further notes if your partner has ideas that you did not record.

Paying Taxes

Tax Slam!

Work in groups of three to play the Tax Slam game.

Follow the instructions:

- Place all of the statement cards face down in a pile on the table.
- Place the tax type cards spread out face up on the table.
- Take turns turning over a statement card and reading it aloud.
- Race to slam the tax type card that matches the statement.
- The first person to slam the correct tax type keeps the card.
- The person with the most cards at the end wins.

Tax Type Cards:

Income Tax	Consumer Tax	Duty
Sales Tax	Property Tax	

Paying Taxes

Statement Cards:

the biggest tax you pay	You don't pay this tax for rent, groceries or public transportation.
You pay on most things you buy.	You pay this if you own a house, condominium, a building, or land.
You have to fill out a tax return for this type of tax.	You don't have to pay this kind of tax on your own things if you move to Canada.
You pay this kind of tax on things you buy in another country and bring to Canada.	a combination of federal and provincial tax
carbon tax is one example	federal sales tax of 5% + a provincial sales tax of 7% on most items
included in the price you pay for these specific items	You have to report this tax to the CRA every year.
If you are out of Canada for 7 days or more, you can bring back goods worth \$800.00 without paying this tax.	You pay this on tobacco and motor fuels.
You pay less of this kind of tax if you are a senior.	Your city or town government sends a letter each year to tell you how much you owe.

Paying Taxes

Give Advice!

In English, there are different ways to give advice. Some words and expressions are stronger and direct, more like commands, and others are suggestions that imply that there is a choice or option.

What is the difference in meaning between these two statements? Under which category would you place the statements?

You must be at the meeting by 3:00pm.
You should be at the meeting by 3:00pm.

Categorize the following statements according to the meanings below.

<i>It would be a good idea to...</i>	<i>You have to...</i>	<i>You should...</i>
<i>You must...</i>	<i>Why don't you...</i>	<i>You need to...</i>
<i>You might want to...</i>	<i>What about...?</i>	<i>You can...</i>

statements that don't imply an option or choice	statements that suggest something but imply that there is a choice or option

Look through the People's Law School wikibook [Paying Taxes in BC](#), or *Paying Taxes* booklet, sections on income tax and other kinds of taxes and complete the sentences below.

1. You must _____.
2. You have to _____.
3. It would be a good idea to _____.
4. You should _____.
5. You can _____.

Paying Taxes

Play the Game!

Work in groups to complete the board game. The aim is to give appropriate advice or suggestions. Follow the instructions:

- Flip a coin to find out how far to move
Heads = move 2 spaces/Tails = move 1 space
- As you land on a square, role play a conversation with someone in your group. Your partner will start the conversation using the phrase in the square. You must give appropriate advice or suggestions.
- If your group agrees and thinks the advice is accurate, you get a point.
- If you land on a question mark, you can ask anyone in your group a question related to taxes. Whoever answers appropriately gets a point.

START 	I want to sell things out of my house for cash.	
		I want to start my own business.
I need help to fill out a tax return.	I want to learn about income taxes.	I am moving to Canada and I want to bring my things with me.
I have never filed income tax in Canada before.		
	I want to go shopping the United States next weekend.	I am going to buy my first home.
		I make money in Canada and overseas.
FINISH 		I want to clean out my house. I have boxes of receipts and tax files from previous years.

Find out More!

Find out about some areas where you can save money on paying taxes. Visit the websites and answer the questions.

Tax Free Savings Account (TFSA) <http://www.tfsa.gc.ca/>

1. What is a TFSA?
2. What are the benefits of a TFSA?
3. How much can you put into a TFSA every year?
4. What else did you learn about TFSAs?

Registered Education Savings Plan (RESP) <http://www.canlearn.ca/eng/savings/index.shtml>

1. What is a RESP?
2. What are the benefits of an RESP?
3. How much does the Canadian Education Savings Grant add to my RESP?
4. What else did you learn about RESPs?

Paying Taxes

What did you learn?

Fill this out on your own.

	Yes, I can do this on my own.	I need to review this.	I can't do this yet.
I can list and provide information about the different types of taxes in Canada.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I can organize notes in the form a mind map.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I can give advice and suggestions.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I can get information from websites about taxes.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

What else did you learn today? What other questions do you have about taxes in Canada?

Paying Taxes

Predict!
